ABSTRACTED-PUB-NO: EP 679383B

**BASIC-ABSTRACT:**

Cosmetic compsns. for application to the nails contain phytanetriol (I) as a film-forming and/or hydrating agent.

ADVANTAGE - Use of (I) in nail varnishes restructures and hydrates the nails and reduces their tendency to split.

ABSTRACTED-PUB-NO: FR 2718637A

**EQUIVALENT-ABSTRACTS:**

Cosmetic compsns. for application to the nails contain phytanetriol (I) as a film-forming and/or hydrating agent.

ADVANTAGE - Use of (I) in nail varnishes restructures and hydrates the nails and reduces their tendency to split.

US 5667768A

A care composition for application to the nails, which comprises: an organic solution or a dispersion in an organic medium, the care composition containing a cosmetically effective amount of phytanetriol, where the care composition is free of water, and further where the care composition is not an emulsion.
